Merit School of Music
making music…building lives

Alumni Questionnaire

News from alumni is interesting to your fellow alumni, Merit's faculty and staff (you probably made a bigger impression than you think) and current parents and students (who are curious about those that preceded them). Let us know what you have done since you left Merit and where you are today so that we can stay in touch!

Please complete this form and mail/e-mail/fax it back to Merit. Thank You.
